SAFEDOORS 10 YEAR GUARANTEE

Safedoors Diamond and Platinum range doors are guaranteed against defects in materials, manufacturing or factory workmanship for:

- 10 years on all door leafs and door frames
- 10 years on sidelights and top lights frames
- 5 years on factory fitted glass unit failure
- 10 years against fog or condensation within the glass unit
- 10 years for the factory fitted locking mechanism failure
- 1 year for factory fitted furniture

from the date you receive the original door.

In the event of any such defect being discovered, your door will be replaced or repaired free of charge.

Defective workmanship by fitters or other trades people not directly employed by Safedoors, is not covered by this guarantee. If, upon inspection, it is discovered that our Installation Guidelines have not been followed, the guarantee is invalidated.

Similarly the guarantee will be invalidated if the door is subjected to misuse, wilful damage, negligence or incorrect maintenance.
