SIERRA

10 Year Product Guarantee

Profile 22 profiles are manufactured using tried and tested formulations from approved suppliers and do not warp, split or discolour for 10 years from date of purchase.

This guarantee is issued in association with our raw material suppliers and based on proven technology for UV stabilised products.

Further details, weathering data and full conditions can be supplied on request.

All products to be installed to Profile 22 recommendations.

DRIVEN BY INNOVATION.
PROUD TO BE TRADITIONAL
